SPONSOR BENEFITS

Your brand will be placed on the single-seater, on the driver's overalls and helmet, as well as benefiting from an extensive and articulated media and marketing project that includes displaying:

- on the means of transport race
- on clothing and the race's sportswear
- pre and post race advertising
- in press releases
- on social media
- in TV media coverage
- in print and digital media
- in promotional material
- in promotional videos
- in providing the possibility of inviting guests with VIP passes for access to the paddock
- in the visit to the team factory
- in meetings with the driver
- in racing car photos for promotional material
- in offering the availability of the driver for your events

CONSULTING & MANAGEMENT

A dedicated structure takes care of the development and promotion of the image of Luca Ghiotto and his partners. It will analyse needs, identify objectives and prepare highly efficient marketing plans.

The sponsor is advised from the very first phase of the relationship with a process composed of several interrelated activities aimed at generating commercial opportunities in favour of the sponsor itself, interpreting the client's expectations, sharing policy, market dynamics and success factors.
